

MSORV Business Meeting Spring 2015

The Spring 2015 Meeting was held on April 15, 2015 at Tech Solve in Cincinnati, OH and hosted by Frank Platek. There were 10 vendors present representing our Corporate sponsors and 48 attendees present. The afternoon began with registration and a reception sponsored by Hitachi and MSORV while attendees networked and visited with vendors. Caroline Miller, MSORV President, opened the meeting with the welcoming remarks and then introduced Jeanette Killius, Past-President of MSA. Jeanette gave an overview of MSA Membership Benefits and talked about the upcoming M&M 2015 meeting in Portland, OR. The talks began promptly at 4:00PM and stayed on schedule. The speakers for the afternoon were Skip Palenik from Microtrace and our own Frank Platek from the FDA.

The business meeting was called to order by our President, Carole Miller. Minutes of the Fall 2014 meeting were not read but duly noted to the members that they were on-line at the MSORV website, www.msorv.org. Remarks from the MSORV treasurer, Henk Colijn stated that our finances were in good shape with over \$15K in assets between a savings and checking account prior to expenses from this meeting and scholarship travel awards. If anyone is interested in seeing actual numbers, please contact Henk Colijn.

The Fall 2015 MSORV meeting site and date has not been decided. As soon as a place and date are chosen, it will be posted up on the MSORV website.

Dan Kremser talked about the National Meetings and National Societies. He encouraged all to checkout the websites of MAS and MSA, and encouraged becoming a member of one or both of the National Societies.
